Accepted Forms of Identification

In order to use Library services or collections, one of the following forms of identification must be presented:

- Palmer College Identification Card. ***This is the preferred method of securing Library services while a member of the Palmer community.
- Palmer students may also present a current tuition receipt along with another picture identification card as a temporary identification when checking materials out of the library
- Palmer Clinic badge
- Library card from a consortial library
- Identification card from a local area college
- Driver’s License or other government or employer-issued photo identification card (in-house use only)

- Faculty Account Authorizations: students must present Palmer Identification each time they wish to check out materials or make use of other library services as the proxy for a faculty member
